PROFILE

Seeking an opportunity to begin my career as a Full Stack Developer, contributing to innovative software development projects. Eager to collaborate, continuously learn, and build scalable solutions while solving complex technical challenges. Committed to maintaining coding standards, adapting to industry trends, and delivering high-quality results in a professional environment.

EDUCATION

Adhiyamaan College of Engineering, Hosur

Bachelor of Engineering in Computer Science, CGPA: 7.87/10

St Joseph's Matric Hr Sec School Mookandapalli, Hosur

Completed HSC with Percentage of 77%

PROJECTS

AI-Based Faculty Performance Prediction System:

- Engineered an **AI-based Faculty Performance Prediction System** using **Machine Learning, data preprocessing, and predictive analytics**, achieving **85% prediction accuracy** in evaluating academic performance metrics.
- Implemented **role-based access control (RBAC)** with a **data-driven dashboard**, improving transparency, automation, and decision-making efficiency.

Smart Career Development System:

- Developed a **Smart Career Development System** (75% completed) leveraging **AI-driven analytics, automation, and predictive insights**, featuring **Resume Builder, Resume Analyzer, and Portfolio Generator**, improving user employability.
- Designed and integrated **AI-powered mock interview and voice analysis modules** using **speech processing and real-time feedback**, enhancing communication skills, interview performance, and career readiness.

Job Portal:

- Built a **scalable job portal application** with **secure form handling and advanced input validation**, ensuring **data integrity and seamless user interactions**.
- Implemented **dynamic job filtering (type, salary, skills)** using **optimized search algorithms**, improving **search accuracy and user experience by 50%**.

INTERNSHIP

Software Development Intern – Galah Technologies , Erode (June 2025-July 2025)

- Enhanced **responsive front-end interfaces** using **React.js, JavaScript (ES6+), HTML5, and CSS3**, and collaborated in an **Agile environment** to integrate **RESTful APIs**, enabling **dynamic data rendering and improved user experience**.
- Utilized **Git/GitHub for version control**, actively contributing to **code reviews, debugging, and CI/CD-based deployments**, ensuring efficient development and seamless delivery.

Industrial Intern – Sap & Azure – Titan Company Limited, Hosur (June 2025)

- Completed a **15-day industrial internship** gaining exposure to **manufacturing workflows and enterprise operations**.
- Acquired knowledge of **SAP ERP systems and Microsoft Azure cloud services**, focusing on **production planning, cloud infrastructure, and deployment models**.

SKILLS

Technical Skills:

- Programming language:** Java
- Frontend:** HTML, CSS, JavaScript, React.js
- Tools & Platforms:** Git, GitHub, VS Code, Postman, Figma, MS Word, MS Excel, MS PowerPoint
- Database Technologies:** MongoDB
- Backend:** Node.js, Express.js
- Concepts:** REST API

Professional Skills:

- Communication
- Teamwork
- Problem Solving
- Adaptability
- Time Management

CERTIFICATIONS

- NPTEL Swayam Certified in Java
- Finished a Web Development Workshop
- Infosys Springboard Certified in HTML And CSS
- Certificate of Participation in Internal Hackathon
- Fulfilled a 30-Day Masterclass in Full Stack Development
- Wipro Certificate Java Full Stack

LANGUAGES

- English
- Tamil
- Kannada
